ASSOCIATED GENERAL CONTRACTORS OF WASHINGTON

and

CARPENTERS, PILEDRIVERS, AND MILLWRIGHTS

of the

PACIFIC NORTHWEST REGIONAL COUNCIL OF CARPENTERS OF THE
UNITED BROTHERHOOD OF CARPENTERS AND JOINERS OF AMERICA

PREAMBLE

This Agreement is a successive principal Agreement of the 1997-2002, further extended to May 31, 2003, and all other prior Agreements thereto by and between the Associated General Contractors of Washington, a Chapter of the Associated General Contractors of America, Inc. and Pacific Northwest Regional Council of Carpenters.

For purposes of this Agreement, the AGC of Washington is not acting as a multi-employer bargaining agent in a single multi-employer unit, but is acting for and on behalf of Employers who have individually requested the AGC of Washington to act as their individual and separate bargaining agent in individual Employer units. Further, each individual principal member reserves the right to review and accept or reject any proposed Agreement negotiated between the Union and the AGC of Washington acting as an agent for the individual contractor members.

This is a collective bargaining Agreement between certain individual members of the Associated General Contractors of Washington, a Chapter of the Associated General Contractors of America, Inc. (hereinafter referred to as the "Employer"), and Pacific Northwest Regional Council of Carpenters, (hereinafter referred to as the "Union"), and shall constitute an Agreement between the parties hereto for the work, conditions and wage rates provided for herein in the territory of Western and Central Washington.

ARTICLE 1
PURPOSES OF AGREEMENT

SECTION 1. The purposes of this Agreement is to promote the settlement of labor disagreement by conference, to prevent strikes and lockouts and to stabilize wages and working conditions in building, heavy highway construction and engineering work in the area affected.

SECTION 2. Bylaws of either party are not part of this Agreement. It is agreed and understood between the parties hereto that this Agreement contains all the covenants, stipulations and provisions agreed upon by the parties hereto. No agent or representative of either party has authority to make any promise, inducement or agreement contrary to the provisions herein.

SECTION 3. The Employer (having received a demand for recognition by the Union and having been presented with and accepting proof that the Union represents a majority of its employees) acknowledges and affirms that the Union is the sole and exclusive bargaining representative of its employees covered by the Principal Agreements under Section 9(a) of the National Labor Relations Act.

SECTION 4. The Union recognizes the AGC of Washington as the exclusive individual bargaining agent for each Employer who has authorized the AGC of Washington to negotiate individually with the Union on its behalf.

ARTICLE 2 **WORK AFFECTED**

SECTION 1. This Agreement shall cover all Highway, Building, Heavy Construction and Engineering projects including the loading and unloading of barges or other carriers of the Employer's materials and equipment at loading facilities for the contractor's work performed by Employer parties to this Agreement in the counties outlined in Article 3.

SECTION 3. For further clarification, the term "Building" shall mean a building structure, including modifications thereof, or additions or repairs thereto, intended for use for shelter, protection, and comfort.

ARTICLE 3 **WORK AND TERRITORY AFFECTED**

SECTION 1. This Agreement shall cover all construction work in the following counties west of the 120th Meridian in the State of Washington: Whatcom, Skagit, Snohomish, King, Pierce, Thurston,

Note: Attached hereto and made a part of this Agreement is Appendix 3 which contains any differences in wages, travel or working conditions for the Central Washington area.

SECTION 3. The work covered by this Agreement shall be as outlined in the General Constitution and Laws of the United Brotherhood of Carpenters and Joiners of America and local awards and area practice.

ARTICLE 4 EFFECTIVE DATE AND DURATION

SECTION 1. This successive principal Agreement shall be effective commencing June 1, 2003, and shall continue in force and effect through May 31, 2007. Upon its expiration, this agreement shall continue from year to year, June 1 through May 31 of each year, by automatic renewal; unless changed, terminated or superseded by a successive principal agreement. For the purpose of negotiating alterations in wages and other terms and conditions of employment, either party may open this Agreement or any contract effectuated through automatic renewal by giving written "Notice of Opening" not later than sixty (60) days nor more than ninety (90) days prior to the expiration date. "Notice of Opening" is in no way intended by the parties as a termination of, nor shall it in any way be construed as a termination of this Agreement or any annual contract effectuated through automatic renewal nor as forestalling automatic renewal as herein provided. The parties reserve the right to economic recourse in negotiations, except during the interval between the giving of "Notice of Opening" and the expiration date.

SECTION 2. Except by mutual written agreement, termination of this Agreement or any annual contract effectuated through automatic renewal, must to the exclusion of all other methods, be perfected by giving written "Notice of Termination" not later than sixty (60) nor more than ninety (90) days prior to the expiration date, whereupon the contract shall, on its expiration date, terminate. Effective termination eliminates automatic renewal.

SECTION 3. Any "Notice of Opening" or "Notice of Termination" given in hand within sixty (60) days nor more than 90 days of any expiration date shall be absolutely null and void and completely ineffective for all purposes.

SECTION 4. Notwithstanding the above, this Agreement may be opened on June 1, 2005, for the purpose of negotiating wage and fringe benefit rates set forth in Appendix 1 only. Such opening shall be perfected by either party giving written "Notice of Opening" to the other, not later than sixty (60) days nor more than ninety (90) days prior to June 1, 2005. If agreement cannot be reached, economic

recourse will not be permitted, rather the grievance procedure as outlined in Article 11 shall be used for the establishment of new wage and fringe benefit rates.

ARTICLE 5

UNION RECOGNITION AND HIRING PROCEDURES

SECTION 1. The Employer (having received a demand for recognition by the Union and having been presented with and accepting proof that the Union represents a majority of its employees) acknowledges and affirms that the Union is the sole and exclusive bargaining representative of its employees covered by the Principal Agreements under Section 9(a) of the National Labor Relations Act.

SECTION 2. The employees shall become and remain members of the Union as a condition of employment from the seventh (7th) but not later than the eighth (8th) day of employment, or the effective date of this Agreement, whichever is later.

SECTION 3. It is further agreed that all Union Carpenters employed by the Employer shall maintain their membership with current month's dues paid in their Local Union.

SECTION 4. Failure of any employee to pay or tender normal initiation fees or dues as required by this Agreement shall upon the request of the Union in writing, result in the termination of such employee.

SECTION 5. Labor and Management Committee

A Labor and Management Committee shall be established to meet quarterly to discuss issues from the contract and issues that will improve and better the industry.

SECTION 6. Whenever the Employer requires Carpenters covered by this Agreement on any job, the Employer shall first request referral of such Carpenters from the Local Union having jurisdiction (See map). The Employer will notify the local union office having jurisdiction either by telephone or in writing stating the job location and number of Carpenters required. The Union shall refer Carpenters to the Employer by name with a dispatch slip, at the request of the Employer or his agent.

SECTION 7. Out of Work List Requirements

(1) The term Carpenter covers all classifications in the Master Agreement. All Journeymen and Apprentices may sign their respective Out-of-Work Lists of any local union in the Pacific Northwest Regional Council of Carpenters jurisdiction.

(2) The Employer may request Carpenters by name, without regard to their position on the Out-of-Work List. Dispatches will be given to Carpenters and State approved registered Apprentices on the Out-of-Work List in numerical order except when called by name or called on an open-call basis

for a specific skill, i.e., Millwright, Welder, Sheetrock Applicator, minority or female requirements. In those cases, the first person on the list that meets the requested criteria and is available will be dispatched.

(3) Qualified applicants reporting to the job-site within twenty-four (24) hours after being ordered must be put to work or paid the proper show-up time unless the Union is notified of cancellation prior to referral. Employers have no responsibility to applicants reporting after a twenty-four (24) hour period, Saturday, Sunday and Holidays excluded.

When an employee is referred to the job by the Union, such referral shall be on a non-discriminatory basis, not affected by membership or non-membership, past or present union activities, or age, sex, race, creed, color or national origin.

SECTION 8. Either party to this Agreement shall have the right to re-open negotiations pertaining to the Union Security by giving the other party thirty (30) days written notice, when there is reason to believe that the laws pertaining thereto have been changed by Congressional Amendments, Court Decisions, or Governmental Regulations or Decisions.

ARTICLE 6 SUBCONTRACTORS

SECTION 1. If a contractor bound by this Agreement contracts or subcontracts any work covered by this Agreement to be done at the job site for the construction, alteration or repair of a building, structure or other work to any person or proprietor who is not signatory to this Agreement, the Employer shall require such subcontractor to be bound to all the provisions of the Agreement for the duration of his/her project only, or such contractor shall maintain daily records of the subcontractors' employees' job site hours and be liable for payment of these employees' wages, travel, Health & Security, Retirement, Vacation & Apprenticeship and Training contributions (or differential) in accordance with this Agreement.

Holidays recognized by this Agreement shall be New Year's Day, Memorial Day (last Monday in May), Fourth of July, Labor Day, Thanksgiving Day, Friday and Saturday after Thanksgiving Day, and Christmas Day. Any holiday which falls on a Sunday shall be observed as a holiday on the following Monday. A holiday shall be a twenty-four (24) hour period, beginning with the regular starting time of the first shift on the date of the holiday, unless otherwise mutually agreed to by the Employers and the Union. No work shall be performed on Labor Day except to protect life and property or by mutual agreement of the Union and the Employer. If any of the listed holidays falls on a Saturday, the preceding Friday shall be a regular workday.

ARTICLE 8
MEAL PERIODS

SECTION 1.

- A. Employees shall not be required to work more than five (5) hours from the start of the shift without at least a one-half (½) hour unpaid break for a meal. This meal period shall not begin earlier than three and one-half (3½) hours after the start of the shift. If employees are required to work past five hours, they shall be paid one-half (½) hour at the applicable overtime rate and must be allowed time to eat their meal. If not allowed to eat their meal, employees will be paid an additional one-half (½) hour at the applicable overtime rate.
- B. Employees required to work more than two (2) hours after the end of the regular shift shall be allowed at least one-half (½) hour meal period which shall be considered as time worked, and if it is impractical for the employees to leave the job, they shall be provided a meal by the Employer. - C. In the event that the Employer establishes a ten (10) hour day, the meal period shall be at mid-shift. Employees' meal period may be staggered during the period of three and one-half (3½) to five (5) hours from the start of the shift to cover necessary work of a continuous nature.

SECTION 2. For the purpose of this Article the applicable overtime rate following a delay/missed meal, as noted above, shall be as follows:

- In the event the rate of the day is double time, the applicable overtime rate will be two and one half (2½) times the straight time rate of pay.

ARTICLE 9
PAY DAY

SECTION 1. Employees shall be paid in full once each week (on the same day), but in no event shall more than five (5) days (Saturday, Sunday and Holidays excluded) wages be withheld.

If the regular payday falls on a Holiday, the employees shall be paid on the last regular workday before the holiday.

The Employer will have the following options of making payment: negotiable check made on local bank, paid at job site, direct deposit in employee's bank account or by mail (at election of employee in writing). If paid by mail, check shall be postmarked not later than two (2) business days prior to the established payday.

If the payment is not made expressly as provided herein, then the employee shall be paid two (2) hours pay at the appropriate hourly wage rate for each twenty-four (24) hour period thereafter until payment is made. In the case of payment by mail, the postmark on the envelope will serve as the cutoff for any penalty.

The Employer shall furnish to each employee at the time of payment of wages an itemized statement showing the pay basis (i.e., hours or days worked), rate or rates of pay, gross wages, and all deductions for that pay period. In addition, the name, address and phone number of the Employer shall be indicated.

No adjustment of disputed pay will be made unless the workman or the Union shall make a claim in writing to the Employer's representative fifteen (15) days from the pay period in question.

SECTION 2. An employee shall be paid in full when discharged. Upon layoff or discharge, (except for cause), carpenters will be provided fifteen (15) minutes to pick up, and transport to vehicle, tools and personal items. Failure by the Employer to provide fifteen (15) minutes will result in overtime conditions for the time necessary beyond the end of the shift.

SECTION 3. When employees are laid off or discharged during normal office hours, they shall be paid in full immediately. In the event that the employee is not paid immediately, he/she shall receive two (2) times the hourly wage rate for each twenty-four (24) hour period thereafter until said check is mailed to an address of the employee's choice. The postmark on the envelope will serve as the cutoff for any penalty.

SECTION 4. Upon the completion of the employee's job, the employee shall be paid forthwith. If not completed within normal office hours, payment shall be made within twenty-four (24) hours (Saturday, Sundays and Holidays excepted). Payment, if so desired, may be made through the Union Hall or by regular mail.

SECTION 5. Employees who quit shall be paid not later than the next regular pay period.

SECTION 6. The only exception of the "lay off pay-off policy" is as outlined in Section 4 of this Article.

SECTION 7. In the event an employee receives a non-sufficient funds (NSF) check, the payment shall be by money order or certified check. In addition any documented bank fees or charges incurred by the employee as a result of receiving a NSF check payment, will be reimbursed to the affected employee. If requested, a letter of explanation will be sent to the employee's bank and any creditors that may have been affected. If an employee receives a NSF check for the second time in any four (4) week periods, the make-up check and all subsequent payments shall be by money order or certified check.

ARTICLE 10

UNION REPRESENTATIVE

SECTION 1. Authorized representatives of the Union shall have access to the projects provided they do not unduly interfere with the work of employees, and that they fully comply with the safety and security procedures established for the projects. On projects with restricted access, the Employer will cooperate with the Union officials in this regard as far as regulations permit.

ARTICLE 11 SETTLEMENT OF DISPUTES/GRIEVANCES

SECTION 1. In cases of violation, misunderstandings or differences in interpretation of this Agreement, there shall be no cessation or stoppage of work. Both parties pledge their immediate cooperation to eliminate the above mentioned possibilities, and the procedure in Section 2 is outlined for that purpose.

SECTION 2. In the event that a dispute arises on the job, the following procedure will be followed to address the dispute:

Step One: In the event that a dispute arising on the job cannot be satisfactorily adjusted on the job between the representative of the Union involved and the Employer, the dispute shall promptly (not later than fifteen (15) working days), be referred to the authorized representative of the Union and the Employer or their authorized representative. Should they fail to effect a settlement, the matter shall proceed to Step Two.

Step Two: The dispute shall be referred to a Board of Conciliation within fifteen (15) working days. This Board shall consist of two (2) persons who have no direct involvement in the dispute, appointed by each party. If these four (4) persons cannot effect a settlement within seven (7) days after the dispute has been referred to them, the matter shall proceed to Step Three.

Step Three: By mutual agreement, the issue may be referred to mediation. The parties shall request a mediator from the Federal Mediation and Conciliation Service or other acceptable service. This person shall serve as the mediator to resolve the dispute. The expense of employing the mediator shall be borne equally by both parties and each party shall be responsible for their own attorney fees and costs. Should mediation be waived or the parties fail to reach agreement, the matter shall proceed to Step Four.

Step Four: The parties shall request a list of seven arbitrators from the Federal Mediation & Conciliation Service or other acceptable service and shall alternately strike names until only one name remains. This person shall serve as the arbitrator to resolve the dispute. The expense of employing the arbitrator shall be borne equally by both parties and each party shall be responsible for their own attorney fees and costs.

Any decision of the Board shall be within the scope and terms of this Agreement. It may also provide retroactivity not exceeding sixty (60) days and shall state the effective date. Decision by this Board shall be rendered within twenty (20) days or at their discretion after the dispute is referred to them, and such decision shall be final and binding upon all parties. By mutual agreement, the aforementioned time frames in this Article may be waived or extended.

ARTICLE 12

SETTLEMENT OF JURISDICTIONAL DISPUTES

SECTION 1. There will be no strikes, no work stoppages or slowdowns or other interference with the work because of jurisdictional disputes.

SECTION 2. The Employer shall be responsible for all jurisdictional assignments. In issuing such assignments, the Employer shall be guided by local award and area practices. Craft jurisdiction is neither determined nor awarded by classifications appearing in any labor agreement.

SECTION 3. If a jurisdictional dispute arises, it shall first be submitted to the Regional Council and the affected Employer or their authorized representative for settlement. If no understanding or agreement is reached within forty-eight (48) hours, the parties may refer the dispute to the International Unions with which the disputing Unions are affiliated, for resolution and the Employer shall abide by the resolution. The disputed work shall continue as assigned by the Employer until the dispute has been resolved.

ARTICLE 13

STRIKES AND PICKET LINES

SECTION 1. It is mutually agreed that there shall be no strikes, lockouts or other slow down or cessation of work by either party on account of any labor difference pending the utilization of the grievance machinery, as set forth in Article 11.

SECTION 2. Employees will not be discharged, disciplined or permanently replaced for any protected activity related to the recognition of a primary picket line approved by the Union party to this Agreement.

SECTION 3. As required by law, employees shall be furnished to the Employer during labor disputes with other construction crafts and the Employer will endeavor to work as long as economically possible during these periods.

ARTICLE 14

SAFETY MEASURES

SECTION 1. The Employer and the employee will conform to all Federal and State health and safety regulations applicable to work covered by this Agreement and shall have adequate shelters available where necessary, with heat, where the workers can change and dry their clothes and store their tools. Fresh, cool, sanitary drinking water will be available to the workers. The Employer will furnish welding equipment including all leathers. The Employer will furnish to all Carpenter employees necessary hard hats, eye protection, ear protection, respirators, reflective vests, all personal fall protection and restraint equipment, and equipment needed to work with hazardous or contaminated material.

ARTICLE 15 **SAVINGS CLAUSE**

SECTION 1. This Agreement is not intended to and shall not be construed to permit acts, which violate any valid Federal or State law.

SECTION 2. If any provision of this Agreement or the application of such provision shall in any court or other Governmental action, be held invalid, the remaining provisions and their application shall not be affected thereby. Provided, however, upon such invalidation the parties signatory hereto agree to immediately meet to re-negotiate such parts or provisions affected. The parties agree to arrive at a mutually satisfactory replacement within sixty (60) days unless a definite extension of time is mutually agreed to. When no mutually satisfactory replacement is reached, the provisions of Article 11, Settlement of Disputes/Grievances, will apply.

ARTICLE 16 **HOURS OF WORK**

SECTION 1. SINGLE SHIFT OPERATION

(a) Eight (8) hours shall constitute a day's work; five (5) days shall constitute a week's work, Monday through Friday. A single shift operation shall be established for a minimum of three (3) days.

(b) A single shift operation shall be restricted to the hours between 6:00 am and 6:00 p.m. and eight (8) hours of continuous employment (except for meal period) shall constitute a day's work Monday through Friday of each week. In the event the job is down due to weather conditions, or other conditions beyond the control of the Employer, Monday through Friday, then Saturday may, at the option of the Employer, be worked as a voluntary make-up day at the straight time rate.

(c) Four ten (10) hour shifts at the straight time rate may be established Monday through Thursday. In the event the job is down due to weather conditions, or other conditions beyond the control of the Employer, then Friday may, at the option of the Employer, be worked as a voluntary make-up day. All hours worked in excess of ten (10) hours a day or forty (40) hours a week must be compensated at the overtime rate.

(d) No employee shall be discharged, laid off, disciplined, replaced or transferred for refusing to work a make-up day.

(e) In the event of a civil emergency such as, but not limited to, earthquakes, floods, or fires, starting time of the shift may be made to fit the emergency and eight (8) hours in any twenty-four (24) hour period may be worked at straight time. In order to work such shift, mutual agreement shall be received.

(f) Special Shifts: When due to conditions beyond the control of the Employer or when contract specifications require that work can only be performed outside the regular day shift, then a special shift, upon three (3) days written notice to the Union may be worked, Monday through Friday at the straight time rate. The starting time of work will be arranged to fit such conditions of work. Such shifts shall consist of eight (8) hours of work for eight (8) hours of pay or ten (10) hours of work for ten (10) hours of pay on a four-ten shift.

(g) When an employee is called out to work without at least eight (8) hours off since his/her previous shift, all such call out time shall be paid at the overtime rate until he/she shall have eight (8) hours off.

Saturday may be used as a voluntary makeup day in the event the job is down due to weather conditions, or other conditions beyond the control of the Employer

On a two-shift operation, the second shift shall be established for a minimum of three (3) days.

Once the starting times are established for the two-shift operation, they shall not be changed except upon three (3) working days written notice to the Union.

(b) Three Shift Operation. On a three-shift operation, the following shall apply:

Those groups of employees only who relieve first shift groups of employees and such first shift groups of employees who are relieved by groups of employees on a second shift, and on a three shift operation those groups of employees who relieve the groups of employees on a second shift, shall be construed as working multiple shifts. The intent of this clause shall be construed so as to recognize that a "reliever group" and a "relief group" does not necessarily mean "person for person" relief.

(d) It is understood and agreed that when the first shift of a multiple shift (a two or three shift) operation is started at the basic straight time rate or at a specific overtime rate, all shifts of that day's operation shall be completed at that rate.

ARTICLE 19

MANAGEMENT RIGHTS CLAUSE

SECTION 1. The Employer retains full and exclusive authority for the management of its operation subject to the provisions of this Agreement. The Employer shall direct his/her working forces at his/her sole prerogative including, but not limited to hiring, promotion, transfer, layoff or discharge for just cause

as traditionally practiced within the Construction Industry. The Employer shall utilize the most efficient methods or techniques of construction, tools or labor saving devices. There shall be no limitations upon the choice of materials or design except those imposed by safety and health considerations.

SECTION 2. The foregoing enumeration of management rights shall not be deemed to exclude other functions not specifically set forth.

SECTION 3. It shall not be a violation of this Agreement when the Employer considers it necessary to shut down to avoid possible loss of human life because of an emergency situation that could endanger the life and safety of an employee. In such cases, employees will be compensated only for the actual time worked. In the case of a situation described above whereby the Employer requests the employees to stand by, the employees will be compensated for the "stand by time."

If such a condition continues, the Employer agrees to give timely notice to members of the next shift scheduled to report for duty. In the event that timely notice is not given employees who report for work at their regular reporting time and are not put to work shall be paid "show up pay."

This Article shall be subject to the grievance procedure set forth in Article 11.

ARTICLE 20

SPECIAL CONDITIONS

SECTION 1. Both parties recognize that there may be extenuating circumstances when it is to the mutual interest of both parties to modify the terms of this Agreement. In that event, it will not be a violation of this Agreement for the parties having jurisdiction over the job-site and work affected to meet and mutually agree to make such modifications to meet a specific need on a specific project.

In order to maximize the effect of this provision, all crafts will be requested to act uniformly. Employees of a craft should be treated equally under this provision. The Employer shall request his/her subcontractors to comply with any modifications granted under this provision.

ARTICLE 21

PRE-DETERMINED WAGE RATE PROJECTS

SECTION 1. In the event the Employer bids a public job or project being awarded by a Federal, state, county, city or other public entity which is to be performed at a pre-determined and/or prevailing wage rate established pursuant to the provisions of the Davis-Bacon Act (Public Law 74-403 (8/30/35) as amended 3/23/41 and 7/2/64 (40 USC 276A-276A7 as amended) or established by the Industrial Commission of Washington pursuant to the provisions of Title 39 RCW (39.12) prevailing wages on public works-Washington State, Prevailing Wage on Public Works, the published hourly wage rate set forth in said public award in effect at the time of bid shall apply for the first twenty-four (24) months of the project from the date of the notice to proceed. Upon written request, the Employer will provide a copy of the notice to proceed to the Regional Council having jurisdiction of the project. The fringe

benefit contribution rates shall be those as established and maintained by the Master Agreement and any fringe increases are the responsibility of the Employer. Notwithstanding the above, project agreements may be mutually agreed upon to allow use of the pre-determined wage rate for the duration of a project to exceed twenty-four (24) months.

SECTION 2. In the event the specifications include an escalator provision covering wages, such amount will be included as an increase to wages to the extent that the Employer may recover in the escalator claim.
